

A sunset over the ocean. The sun is low on the horizon, casting a bright orange and yellow glow across the sky. The water is dark, but a path of light reflects off the surface, leading from the foreground towards the horizon. The sky is filled with soft, wispy clouds, some of which are illuminated by the setting sun. The overall mood is contemplative and serene.

'After Election Day'

After Election Day  
will our voices still be seething?  
will our minds still be heaving?

After Election Day  
will our hearts still be breathing?  
will our lungs still be beating?

After Election Day  
will our feet still be bleeding?  
will our hands still be seizing?

After Election Day  
will our souls still be screaming?  
will our brains still be dreaming?

After Election Day  
will our friends take a beating?  
while the thieves keep on thieving?

After Election Day  
will we surpass the fleeting feeling  
of angry voices reeling?

November 9th, we await you. Bring us peace of mind.
